ARTISTS OF NORTHWEST MINNESOTA

An invigorating experience awaits you, when you explore the arts!

A selection of artists, art sites and art organizations from Kittson, Marshall, Norman, Pennington, Polk, Red Lake, and Roseau Counties.

Produced by the Northwest Minnesota Arts Council
Welcome to the third edition of “Artists of Northwest Minnesota.” This booklet will introduce you to a sampling of visual artists who reside in Northwest Minnesota. The selected artwork is rich in variety and the artists are eager to share their artwork with you. Many artists complete commissioned artwork for clients, create work in a variety of mediums, and frame art for residents in our area. Please read through their artist statements to learn more about what they offer our region. Contact information is given for each artist. We encourage you to call or email the artists with your questions and comments.

We also invite you to further explore these artists, and others, by visiting a gallery, exhibit, or art fair in the region. A map and listing of art sites is included in the back of the book, along with arts organizations in our area.

Art enriches our homes, offices, public spaces, and our wardrobe. We invite you to contact one of our local artists and purchase their original artwork. Our artists play an important part in building our communities. They are small businesses trying to grow and prosper in our area. Your support is important.

The Lover

Tis those times when soul stands still,
The breezes cool against my bare breast. Your touch
leaves me sacred to only one.

It’s delights in nature’s hands I seek,
To burn and fold us under in meadows grass green,
And fly to other lands delighting in oneness.

Your hand so strong but gentle,
Your mind piercing my quest.

Time melting away in hours of ecstasy,
To find myself left here once again in peace.
